MSc DIGITAL BUSINESS

GRENOBLE

DIGITAL TECHNOLOGIES ARE AN INTEGRAL AND GROWING COMPONENT FOR COMPETITIVE ADVANTAGE AND EFFECTIVE BUSINESS OPERATIONS IN THE GLOBAL MARKETPLACE. ALL MANAGERS REQUIRE THE SKILLS AND KNOWLEDGE TO LEVERAGE A PROFESSIONAL PROFILE IN THE INCREASINGLY PERVASIVE DIGITAL ECONOMY.

Our mission: to prepare students for a wide range of digital management roles and contribute to sustainable competitive strategies and operations in a global marketplace by understanding the business impacts and opportunities of digital technologies on corporate performance.

BENEFITS

- ▶ Acquire the ability to **make effective management decisions** related to the deployment and operations of digital business strategies.
- ▶ Gain the skills and knowledge needed to **support digital business activities in an international environment.**
- ▶ Develop the confidence and capacity to initiate **innovative and competitive digital strategies.**
- ▶ Learn from both **experienced digital professionals and academic experts.**
- ▶ Prepare for **new career opportunities created by the Digital Economy.**
- ▶ Earn your degree from a **triple accredited institution.**

PROGRAM STRUCTURE

The program begins in September and requires regular attendance for one academic year (September-June) followed by a Final Management Project on a Marketing-related subject of the student's choice. The Final Management Project may be completed in parallel with a full-time internship or employment.

FACULTY

Classes are taught by GEM faculty, local faculty, visiting professors from top universities worldwide, and leading business professionals. Most of the permanent faculty are engaged in applied research. Their teaching links theory to practice through authentic business cases. Their diverse cultural and international backgrounds lend a strong international dimension to the program.
